

**How can your child schedule band in high school and still fit in all of the graduation requirements as well as college entrance requirements?**

**9th Grade**

English 9  
Civics/Economics  
Math  
Science  
Band  
Foreign Language/Elective

**10th Grade**

English 10  
US History  
Math  
Science  
Band  
Foreign Language/Elective

**11th Grade**

English  
Social Studies  
Math  
Science  
Band  
Foreign Language/Elective

**12th Grade**

English  
Health/PE or elective  
Math  
Science  
Band  
Foreign Language/Elective

**A few additional thoughts:**

- Most universities recommend 2 years of foreign language
- Many instrumental students opt to take Health online
- Students have the opportunity to take health or PE over the summer. This allows more elective choices during the school year.
- Electives may include performing arts, visual arts, business, foreign language, industrial/technical or PE.
- In some cases, students can take an E2020 class (online course) that will allow more electives in their schedule.
